

Make Me an Instrument 🎵 🎵

Like the song named above God calls us to do both the Lord's work but also the work of others. Grace Presbyterian Church has many opportunities for you to experience the transformational effects of mission. So, review the following list of upcoming events and check in from time to time to see what best fits your interests, time and skills. We'll be providing you with a rolling 90 calendar of these events:

The Mission Team invites you to...

Volunteer at Broad Street Ministries Breaking Bread, every Thursday from 10:30-2. You can assist with greeting visitors, lunch service, distributing personal care items, distribution of or mending of clothing for the sharing closet.

Donations of new men's and women's underwear and socks and travel size toiletry items are also needed, as these supplies are depleted quickly. Gently used adult clothing and shoes (especially men's) are also greatly needed. Donations may be left in the donation center in bags labeled "BSM"

Assist our Food Pantries: During the summer months our local pantries really struggle to meet the needs of the local community that depend on them to help feed their families. Food pantries especially need canned meats, canned vegetables, fruit cups, pasta, rice, peanut butter and jelly, tomato sauce, canned soups. (No junk food please!) These can be dropped off Sundays and at any time the Church Offices are open as well as those evenings when the facilities are open. There are also opportunities to volunteer at the pantries in the morning hours. Contact: Sherry Sutton.
